## Aladdin

### Haiti Collection for Concern.

Well done to the staff and to parents for the work put into the school show this year. It was another great success. A special congratulations to the children of Primary 7. They were brilliant.

The quick collection for the people of Haiti after the recent disaster brought in £1600. Thanks to everybody who contributed. The money was sent to Concern so that it could be used for the Haiti appeal fund.

Rebecca as Aladdin.

The school show is on DVD and on sale at the office for £3.

### Adult Computer Classes

In January Basic level computer classes Computer Classes for adults commenced in the Computer Study at the school.

These lessons are for adults who wanted to start from scratch to learn how to use a computer, go on the internet and find a use for computing at home or even in their workplace. These classes are free and take place every Monday morning from 9:30 until 11:30.

The classes have been so successful that the group now moves on to the next level where they will learn e-mailing and shopping online.
